

Each of these outstanding and colorful fairy tales for young readers is embellished with cultural notes!

One of the primary benefits of bilingual stories for American children is the multi-cultural enrichment of their understanding and appreciation for the folklore and fairy tales of other lands. Such is the case for the superbly produced and illustrated series 'Enchanted Tales of China' from Golden Peach Publishing. Featuring an English/ Chinese text, their first six volume series of 36-page illustrated paperbacks written by Teri Tao includes "The Mouse Wedding: Groom Found!". Each of these outstanding and colorful fairy tales for young readers is embellished with cultural notes. Although the individual titles are available separately, both school and community libraries, as well as families, should acquire the complete sets for the benefit and entertainment of their young readers.

在美国，双语故事的最大好处之一是丰富美国儿童对其它文化中的民间故事、童话传说的了解和欣赏。由金桃子出版公司无比精美地绘制、出版的"中国故事系列"就是这样的例子。其中第一个系列由Teri Tao所作，六本组成，36页一本，简装，中英对照，包括"鼠王嫁女"等六个故事。每本图书都可以单独购买，但建议学校、社区图书馆以及家庭为孩子能够全面欣赏到佳作而全套购买。
